THE ROSEWOOD EDGE

LEEDERVILLE

Residents can experience the Rosewood Edge, a premium level of extras that are available in addition to all the other wonderful services included in your stay at Rosewood.

YOGA AND MEDITATION

Yoga is a great way for seniors to stay healthy and active without muscle strain, as well as improving mood and many other health benefits. Rosewood partners with a local yoga instructor to host small group sessions on site for our residents.

REFLEXOLOGY

In reflexology, pressure is applied to specific reflex points on the foot. These points correspond to organs and areas of the body. The treatment is said to induce a healing response, even alleviating some ailments.

MANICURE AND HAND MASSAGE

Let our wonderful team pamper you with a relaxing hand massage, or freshen up tired hand with a manicure makeover.

AROMATHERAPY

Aromatherapy uses essential oils from plants and flowers to improve our health and mood. This calming practice is offered to our residents in small group sessions.

SPA AND MASSAGE

Residents can treat themselves and truly relax with a variety of massage and relaxation services available at our on-site spa.

HAIR SALON AND BEAUTY SERVICES

Rosewood has their very own hairdresser and beautician on site to look after all your pampering needs. Book your hair salon appointments in house.
