### THE NEW QUALITY MANAGER

Therese is the new Quality Manager & has taken over from Marianne Taylor, who is now on maternity leave and should be back by February 2022.

Therese was born and bred in Canberra and moved to Perth in 2017. She has a Bachelor of Applied Science (Mathematics) from the University of Canberra. Therese has experience in auditing, data analysis, research, performance reporting and risk analysis with various government and private organisations. She has worked for the Australian Federal Police, various ACT Government agencies, the Australian Health Practitioner Regulation Agency and the Aged Care Quality and Safety Commission.

In her spare time, she enjoys cheese making (including fetta, camembert, haloumi, ricotta, parmesan, Cotswold – she'll give any cheese a try!), playing musical instruments (including saxophone, flute, ukulele), calligraphy, photography, and baking/cooking.

Therese is looking forward to making a positive difference to the lives of residents & meeting as many of you as possible, to ensure the care and services provided by Rosewood meet and exceed the standards expected.

*Congratulations!*

The donations will be used to replenish activity supplies for our residents. Any contribution will be greatly appreciated!

## SAMAYA ROSE ARCHER

Samaya Rose Archer was born May 12 at 9pm, arrived as quiet as mouse and just as tiny, weighing in at 2.7 kilos or 6 pounds. So much blonde hair & beautiful blue eyes.

*Congratulations Julie & Marissa!*

## CATERING TEAM

Congratulations to our fabulous catering team for their outstanding efforts with the recent food service audit.

We also had a drop-in visit from a Health Inspector recently. He was thoroughly impressed by the cleanliness and other standards of our kitchen & serveries. He said if he was able to take photos and create a brochure of what the gold standard should be in high-risk establishments, Rosewood would be it!

We are extremely proud of our fantastic catering team.

*Well done  
Chris and team!*
