ROSEWOOD NEWS

FRIENDS FOR GOOD

Friends for Good is a registered not-for-profit organisation working to help people experiencing loneliness (www.friendsforgood.org.au).

They currently operate FriendLine, a free anonymous service where volunteers chat with people as they would to a family member or friend. FriendLine is helping almost 100% of regular callers to feel less lonely. It is open **10 am – 8 pm seven days a week** (AEST) and is funded by the Federal Government.

Some residents may benefit from a call with a friendly, trained volunteer. The volunteers are supported by experienced counsellors, psychologists or social workers.

REMINISCENCE BY FRANK

Resident Frank has taken the time to write a beautiful piece recalling his younger years growing up in Western Australia. Below is a small excerpt from this piece, if you would like to read more please visit reception to receive a full copy.

“One thing that stands out in my mind was getting our very first refrigerator. It was run on kerosene, quite a step up from the water cooler & being able to make ice blocks.

I left school at the age of 14 & worked at the local garage for about 3 years & then I had a few different jobs until 1950 like M R Department where we were stationed between Roebourrie & Port Hedland building cement crossings over creeks & rivers, the main one was near Mundabulllangara Station over the Yule River...”
