

NEWS FROM THE ACTING CEO DESK

It is with great pleasure that I have the opportunity to write my first article as the Acting CEO. As many of you will now know Michelle De Ronchi has resigned and I thank her for her hard work during the past 6 months.

We are regrouping to focus on what we do the best, which is to provide excellent care to our wonderful residents. Our staff are our most valuable asset and we are re-establishing 'The Rosewood Way', which ensures they feel valued as individuals, as well as working as highly functional teams across both facilities.

The Senior Leadership Team has worked specifically with the Consultant who completed the Rosewood Health Check and using this information we have prioritised our change management and operational plan. I look forward to leading the teams to achieve this with the ongoing support of the Rosewood Board.

Please feel free to provide any feedback on the journey by using the Rosewood feedback link as below or contacting me. Thank you for your ongoing support of Rosewood.

Yours Sincerely, Jackie Shade
