

The Rosewood Way

Sonam Choden

Congratulations to Sonam on her outstanding performance, dedication, and hard work at our Leederville facility! Her efforts have truly made a significant impact on our residents.

Sabita Gurung

Sabita's nomination came straight from one of our resident's family this month, writing: Sabita is an extremely dedicated, caring, compassionate and loving person, she knows our mum well. Sabita feels like family to us. It is reassuring to us that Mum considers Rosewood her home, she is well looked after and is in safe hands when we aren't there. We have great trust and respect for Sabita, and consider her an important person in Mum's life, and ours.

We would also like to mention our other two nominees Jigme Wangmo from the Laundry & Cleaning team and Eunice Domingo from the Admin team on a job well done.

Nursery Room & Baby Therapy Project

Doll therapy is a recognised intervention for people living with dementia to help address cases of depression, agitation, and lack of fulfilment. Research indicates that there are substantial benefits to the use of doll therapy, including;

1. An increase in positive social behaviour
2. A decrease in medication
3. Diminished agitation, aggression & wandering
4. Maintaining abilities, they are still able to engage in (dressing, hugging, rocking, cuddling, dancing, and singing for a doll)
5. Assistance in expressing other unmet needs

We are thrilled to announce the recent addition of a Nursery Room on the memory floor at our Leederville facility. Thanks to the hard work and dedication of one of our outstanding ECU OT students, we have also started a baby therapy activity. The response has been incredibly positive, and we are delighted with the success it has achieved thus far.

WEST PERTH

June Recap

Last month at West Perth we had a busy month. On Friday, the 2nd, we joyously celebrated Festa Della Repubblica with our Italian residents at our facility. To make the occasion extra special, we invited an Italian entertainer who played a selection of lively and trendy Italian songs, adding a delightful touch to the festivities.

On the 5th, we took a moment to appreciate the wonderful state of WA by embarking on a nostalgic journey down memory lane. Together with OTA Maria and our resident on Level 2 Waterford, we crafted a tactile picture depicting a black swan on the serene Swan River, reminiscing about days gone by when we were young and chasing our dreams.

Can you imagine the extraordinary feat of living with and loving someone for 69 years? Jessy and Tony Zempilas can, and we had the privilege of witnessing their incredible milestone as they celebrated their 69th Wedding Anniversary here at Rosewood.

In our pursuit of relaxation and stress relief, we embarked on the delightful task of creating our own Stress Balls, providing us with a therapeutic outlet.

We can't wait to see what July has in store for us!

Catering

Just a quick note on the new Winter menu to be starting. This has been finalised and a review has been done by the Dietician and we will be launching this on the 2nd week of June.
