MAY 2024 ISSUE

## Welcome Home

Hello Residents, Families, Staff and Friends,

A warm welcome to all our readers, as we delve into the May issue. Look at "The Rosewood Gallery" on the back page to see the familiar faces of your Rosewood friends who have been enjoying painting, bus trips, brain teaser games and a bus outing.

We celebrated our caring nurses on International Nurses Day and have shared some photos with you.

## A Sweet Bus Outing: The Margaret River Chocolate Factory

*Connecting from West Perth and Leederville*

Indulging in life's simple pleasures is an essential aspect of maintaining joy and connection, especially if chocolate is involved. The recent bus trips to the Margaret River Chocolate Factory, nestled in the picturesque landscape of the Swan Valley, offered our residents an outing filled with delectable treats, full bellies, camaraderie, an interesting drive and lasting cherished memories.

The scenic bus journey went through the old town of Guildford and offered glimpses of farm animals, vineyards, countryside and rolling hills off in the distance.

Following a delightful meal and good conversation, the residents had the opportunity to enjoy a coffee and ice-cream. Boarding the bus to make the journey home, there was a sense of contentment and happiness.

## Delicious Homemade Pizzas

We enjoy cooking up something special on a regular basis. From previously crafting delicious smelling hot cross buns and scones to whipping up our own individual pizzas this month. These cooking sessions are a fun activity for the residents to come together to create and enjoy tasty treats. It's a wonderful way for our foodies to bond over a shared cooking experience.

Pat, they sure look delicious!

## The Joyful Impact of Dance

The residents in West Perth are enthusiastic about dancing. Many afternoons they gather for our "Dance It Out" activity, with many residents eagerly participating. It's a blast! It's a social and entertaining event, but it's also a rhythmic form of exercising. What's more, it's a delightful way to spend the afternoon, enjoying good music and quality time with friends.

## Engage in our Challenging Games

We have a lot of challenging fun games to have a go at, all while incorporating elements of healthy exercise. From brain teasers to physically challenges, the games are tailored to engage residents of all abilities promoting movement, discussions and hopefully a barrel of laughs. Would you say we enjoy some friendly competition of seated toss the pin into the basket game?

## Lest We Forget

Connecting from Leederville and West Perth

Our residents had the opportunity to attend Anzac Day Commemorative Ceremonies to remember, honour, and reflect on the brave men and women who have served their country. There was unity and community as our residents stood alongside one another united in their respect for the Anzac tradition.

## Happy Birthday Bosi Nikoloska!

This is a special mention because our much loved and respected by all, Bosi, has been working at Rosewood at Leederville for almost 18 years. Happy Birthday to you, Bosi! We are delighted to be celebrating with you.

## Message from Jackie Shade - CEO

It's been quite the journey of events since the last "Rosewood Post" issue. We commemorated Anzac Day, celebrated all the wonderful women on Mother's Day, some residents have ventured on a scenic tour with friends for a meal and chocolate delights at The Margaret River Chocolate Factory and we acknowledged and celebrated all of our caring and compassionate nurses on International Nurses Day. Alongside these special occasions, our residents are enjoying our regular fun activities like crafting, painting, dancing, socialising and cooking in our homes.

A special message to all of our beautiful mothers. I wanted to take a moment to extend my warmest wishes to each one of you. We felt grateful for the opportunity to have celebrated you in the lead up to and on Mother's Day. We hope you felt cherished and appreciated on this special occasion.

Rosewood continues our accomplished My Aged Care 4 Star Overall Rating, a rating based on Rosewood's performance in relation to Compliance, Quality Measures, Residents' Experience and Staffing.
