

THE ROSEWOOD POST

AUGUST 2024 ISSUE

Welcome Home

Hello Residents, Families, Staff and Friends,

A warm welcome to all our readers! This edition reflects on our August adventures ~ cooking, baking, decorating, outdoor strolls, seeing family, bus outings, luncheons and pampering at the salon. We also fondly remember the 2024 Olympic Games, which showcased incredible athleticism, strength and determination. These attributes were also evident during our very own Rosewood Olympic Games. We hope you had a wonderful time filled with camaraderie and laughter!

Olympic Dreams: The Ultimate Games

Connecting from Leederville and West Perth

As the world tuned into the Paris Olympics and cheered on the athletes, we engaged in a local version of the Games right here in our community. There was the symbolic flame pass, javelin, discuss, shot put, chair hockey, and more.

The unique twist on the Olympics at Leederville and West Perth brought joy, camaraderie, and achievement. The adapted sports also brought some friendly competition and lots of laughs. Rosewood staff thoroughly enjoyed organising and getting involved too!
