

THE ROSEWOOD POST

SEPTEMBER 2024 ISSUE

Welcome Home

Hello Residents, Families, Staff and Friends,

Springing into action, there was an abundance of exciting activities lined up! We enjoyed the a fine dining and cooking experience in West Perth, embarked on a wildflower hunt under the beautiful Perth sunshine, participated in the Teamific global quiz and word games, had a delightful lunch outing, took many lovely walks and went out and about on the Rosewood bus. We hope you had a fabulous month of fun!

Rosewood Fine Dining Experience

Connecting from West Perth

The recent fine dining experience at Rosewood West Perth was truly memorable! The combination of live cooking, enticing aromas and an engaging atmosphere made it special for the residents. Roshan Tellis and his talented chefs not only crafted a Maggie Beer-inspired menu but also created an interactive cooking experience that fostered community engagement.

The involvement of the Lifestyle team in serving the meals enhanced the sense of togetherness, making the event even more enjoyable. We received some great feedback and it's fantastic to hear that residents are excited about future similar events. There's something wonderful about sharing great food and good company. With Roshan already organising a similar experience for Leederville, it seems the fine dining adventure is just getting started!

Comfort in Connection: Doll Therapy

Doll therapy is a compassionate approach to promote emotional well-being and connection amongst some of our residents. Residents care and engage in nurturing behaviours bringing out joy, comfort, lessening anxiety, enhancing moods and creating purpose. Some residents play as a team against other aged care homes and retirement villages. There are monthly prizes to be won! The quiz is thought-provoking and interactive! It encourages our team to engage to answer the questions that challenge their knowledge. They work swiftly together to lock in their answers!

Our Team look forward to the monthly quiz and thoroughly enjoy working together to lock in their answers!

It's Teamific Global Quiz day!

West Perth Residents Unite for Telethon

Connecting from West Perth

The West Perth residents generously contributed \$311.35 to Telethon's incredible milestone of \$83.3 million raised this year. The funds will financially support 136 children's charities, beneficiaries and community organisations toward advancing medical research, buying equipment and offering essential services and programs for sick children and their families in WA now and in the future.

Marny Leederville

Marny has a sweet tooth, kicking off her career in a chocolate factory, surrounded by the delightful aroma of cocoa and confections! Marny's love for sweet treats then led her to run a charming pancake restaurant (yum!) on Barrack Street.

Ailsa West Perth

Ailsa was an exceptional piano teacher and played at weddings and events. She also played the organ most Sundays at St. Joseph's Church in Subiaco. At West Perth, Ailsa enjoys coming down to the reception area to use the piano.

Kinley Nima Captains his Soccer Team to Victory Winning the GYALSEY (Cup) Interstate

Kinley, the Team Captain of the Raven City Football Club, a Bhutanese community team in Perth, led his fast-footed squad to triumph in WA, earning an all-expenses-paid trip to Brisbane for the interstate finals. After playing six teams in two days, they emerged victorious, bringing home the Gyalsey Cup and \$5K! Kinley's incredible soccer skills, combined with his kind, friendly and caring nature as a Carer at Rosewood West Perth, truly make him deserving of this recognition. Take a moment to congratulate Kinley on his achievement!

Message from Tracy Harris - Acting CEO

Spring has been a bustling and exciting time for everyone! A special welcome to our new residents! It's been a joy to see so many moments captured of our residents enjoying the outdoors, fresh air and sunshine.

A special mention and thank you to Roshan, our Catering Services Manager and the Catering Team for organising a live cooking and fine dining experience at West Perth and to the Lifestyle Team for welcoming and serving on the day. We've received fantastic feedback about the delicious meal and the joy of seeing our residents involved in the food preparation, the learning experience and the delightful aromas filling the air!

Congratulations to Eileen Hordern who has been promoted to General Manager Quality, Risk & Compliance. Eileen's expertise will be invaluable as we navigate the New Aged Care Act, Strengthening Standards and maintaining our Accreditation Compliance Requirements.

Kylee Eaton (Clinical Nurse Manager Leederville) and Neha Puri (Clinical Nurse Manager West Perth) have smoothly transitioned into their roles. Both Kylee and Neha are committed to patient care, ensuring the highest standards of clinical practice and compassionate care for our residents.
