

# THE ROSEWOOD POST

NOVEMBER 2024 ISSUE

## Welcome Home

Hello Residents, Families, Staff and Friends,

In November, the Melbourne Cup is a highlight event each year at both of our homes, bringing excitement and a sense of tradition and lifetime of memories for those who followed the race year on year. We hosted themed events with hats, decorations, sweeps and art and craft allowing everyone to be involved.

The event fosters lots of social interaction between our residents and staff, sparking conversations, memories and reflections as residents enjoy celebrating and watching this iconic Australian horse race.

## Motion by the Ocean

*Connecting from Leederville*

"Motion by the Ocean" provided some of our residents with a refreshing experience by the sea, offering meaningful rides on a fleet of trishaws that left from Sorrento Quay, Hillarys Boat Harbour. The 30-minute journey along the stunning West Coast Drive was a true delight. The weather was perfect, with a coastal breeze that was deeply inhaled, and the residents had a closeness to the sand and sea. Residents enjoyed the company of one another during the ride, shared a lovely lunch and connected with nature.

## The Season of Joy!

The magic of Christmas lies in its ability to bring people together, fostering a spirit of kindness and generosity. Whether it's decorating the tree, enjoying festive music, engaging in activities or sharing food and laughter, the festive season reminds us of the importance of love, community and tradition.

## Getting into the Christmas spirit

Christmas is undoubtedly one of the most cherished times of the year. From the twinkling lights that adorn homes to the aroma of festive foods filling the air, the holiday season brings a sense of warmth and joy to people of all ages. It's a time for family to gather, gift-giving and lasting memories.

## Message from the CEO

I extend my warmest wishes to our residents and their families as we all enjoy the festive season – a time that reminds us of the importance of family, friends and community. We look forward to celebrating the joy and spirit of the season with each of our residents. With many exciting Christmas festivities planned, delicious meals to enjoy and a range of activities to do together. There's much to look forward to.

I am pleased to announce that Rosewood will be transitioning our clinical software systems:

- Clinical Management & CRM: from iCare and Resident Manager to **e-Case**, and
- Medication Management: from MedMobile to **BESTMED**

By improving our systems, we can better meet the needs of our residents and staff, ultimately fostering a more supportive and responsive care environment.

Comprehensive onsite training will be provided to staff in the new year, with a target "go live" date set for April 2025. I will be emailing our residents' families in December with more information and details.
