Visit to Cleaver Heritage Cafe

An enjoyable short bus ride along Oxford Street and down the road to experience dining at Cleaver Heritage Cafe with friends – a delicious buttery scone, tea, and coffee. Lovely to wander by the charming West Perth home too!

Mother's Day Spa Day Bliss

The Ladies of Leederville embraced spa vibes with friends, enjoying foot spas, face masks and massages while listening to tranquil music. Mums were pampered with the ultimate relaxation and refresh. A beautiful celebration of how amazing, strong and admired all our wonderful women truly are.

An Hour of Jazz with Barney

Our music-loving residents gather monthly for "An Hour of Jazz with Barney", a favourite activity held in the Banquet Room. Barney leads the way through classic songs and smooth vocals, it's an afternoon of toe-tapping tunes and great company.

Green Thumbs and Good Times

WHAT'S NEW? Casting a Line with Rosewood's Fishability Program

Residents from Rosewood West Perth enjoyed a day of fishing at Garvey Park, Belmont, thanks to the Fishability Association - a government-funded initiative providing equipment, bait and volunteer support.

Ian, a West Perth resident, joined Nikita de Graaf (Engagement Officer) to trial the program, giving it a big thumbs up. During the first fishing group outing, Georgia who enjoys outdoor activities caught a fish, Richard said it was "the best day in a long time," and Ron had a first-time go at casting a rod.

We're excited to keep the program going and hope for fine weather to continue enjoying the great outdoors this winter!
